Edith Rogers Junior High
8308 Mill Woods Road
Edmonton, Alberta T6K 1Y7

Principal's Message

Well, another year has come and gone! And, what a great year it was. Grade 7's you made it to the end even though in September you sometimes wondered if you could make it through a full year in junior high school – you came through with flying colors!

Grade 8's you are now only one year away from completing your junior high school years; while it might seem like a long way off, you will be surprised at how quickly your grade 9 year will go by.

And now we bid farewell to our grade 9 students who have completed their three full years of junior high school and move on to senior high school. Our best wishes go with you and keep with you all of the lessons you have learned along the way.

While we continually and consistently stressed the importance of striving to be the best you can be, particularly regarding your academic achievement there are also other elements of schooling that play an important role in your development. This year we selected one character virtue each month and introduced them at our monthly student assemblies. They were: Patience, tolerance, trustworthiness, compassion, honesty, responsibility, respect, gratitude, courage, and excellence. Embrace these values as you grow and develop for they will provide you with a solid foundation upon which you continue to build your lives!

As well as our focus on academic achievement and character development...remember our school's sports teams?... city champions in girls volleyball and basketball and great competitive boys and girls teams in other sports, as well. Congratulations to all our athletes who contributed to the success of our athletic program!

Social activities also contributed to your experiences at Edith Rogers this year... "welcome week" with a western theme, Halloween dress-up and dance, Christmas food bank drive and dance, "I Flurtz surveys" and dance, spirit days, retro day, funky head day, remembrance day, fund raising activities both for the Stollery Children's Hospital Foundation and the grade 9

farewell, and the monthly student assemblies. Wow, what a great year! It is hard to believe that you were able to engage in all these activities and still give your studies all the attention that you did. Congratulations on another outstanding year at Edith Rogers.

...and always remember... "Today will be a better day than yesterday and tomorrow will be a better day than today"...and... "Respect yourself, Respect others, and Respect your and other peoples' property"...

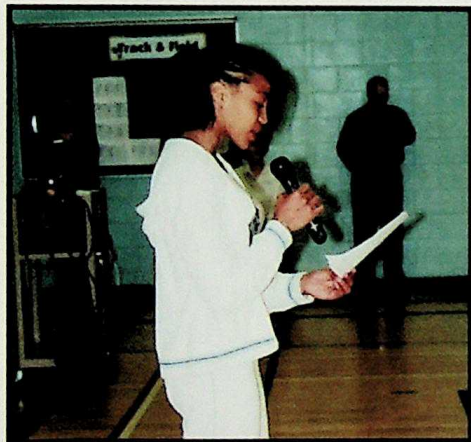

Mr. A. Durand

President: Porsha Sherwood

Throughout the year, the student council is responsible for organizing dances and spirit events. They are leaders and role models within the school.

Staff Advisor:
Mrs. Fitzpatrick

Student Council

Unfortunaeely, another great year at Edith Rogers is coming to a close. Being a grade 9 student, I was able to see the dramatic changes in the students over the last three years, and I have noticed that the students this year were the most honest, nicest, and the most generous group of kids I have ever met. Although I will not be here next year to admire the newcoming grade 7's, I'm sure they will have the best role models to look up to.

I sincerely hope you continue making Edith Rogers the best Jr. High School in Edmonton. Keep up the good work in all aspects of your school life.

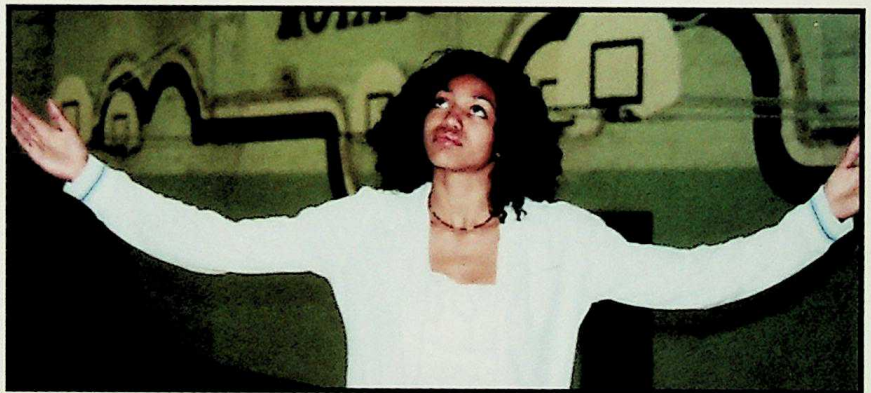

Edith Rogers has also had an excellent sports year. The senior womens' volleyball team earned the

city conference gold medal and the senior womens' basketball team won the gold in the premier conference. The doubles badminton team of Mehran Abbasi and Jose Quiadisimao won the silver medal in the city championships and I won the silver medal for triple jump at cities as well. Congratulations to all participants of all the sports teams this year. You are incredible athletes and you've done this school justice.

I am very proud to say that I was elected to be president of the coolest kids in the world. Anyways, keep rockin the free world and party hardy!

Peace Out!

Porsha Sherwood

Welcome Week

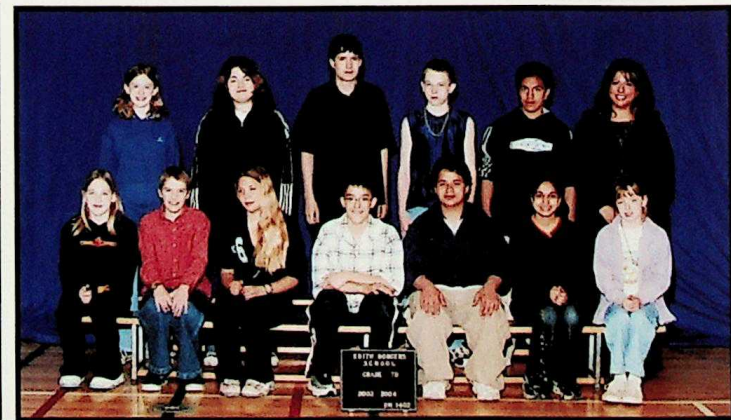

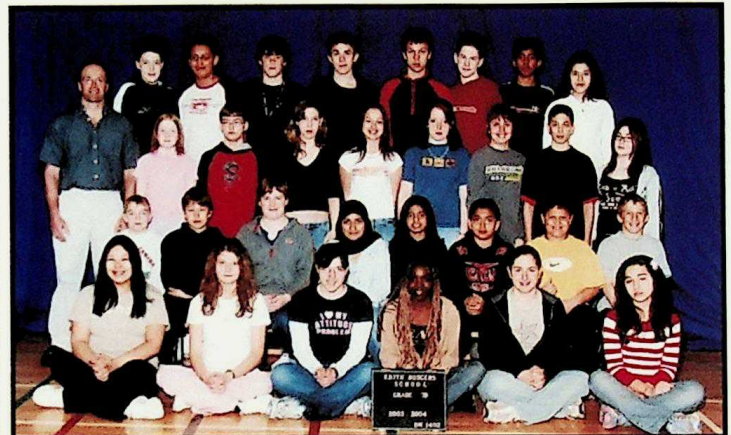

In the third week of September, students and staff participated in loads of fun welcome week activities. The week started with a grade seven scavenger hunt, and ended with a western theme dress up, BBQ spirit competitions and dance. Yeeha!

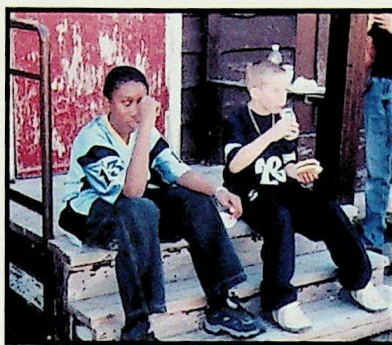

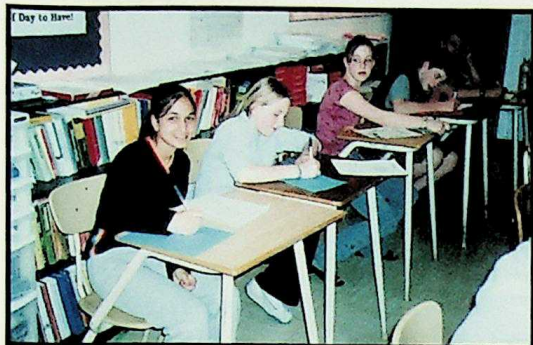

Halloween

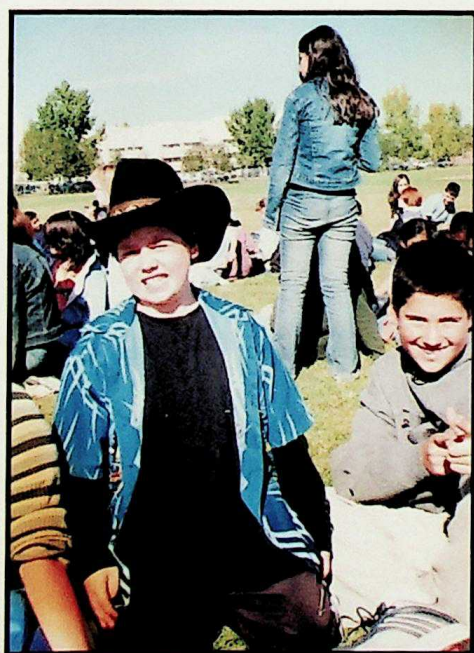

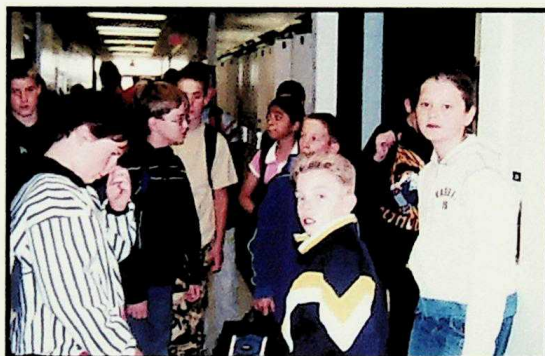

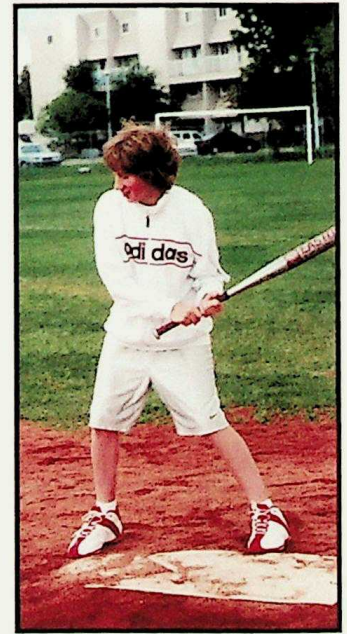

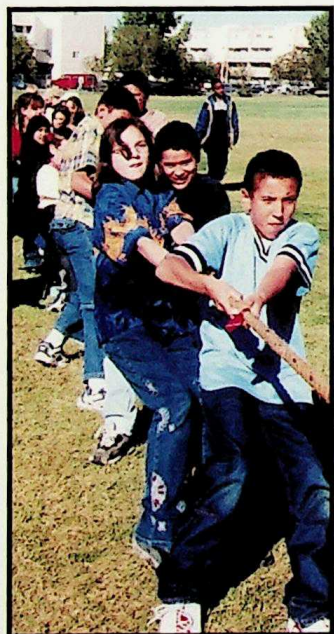

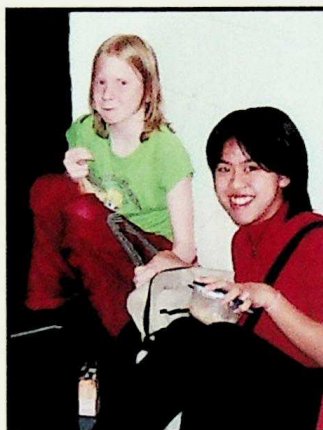

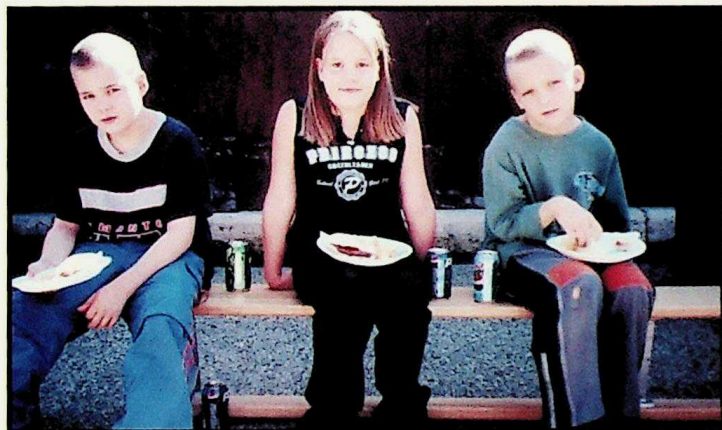

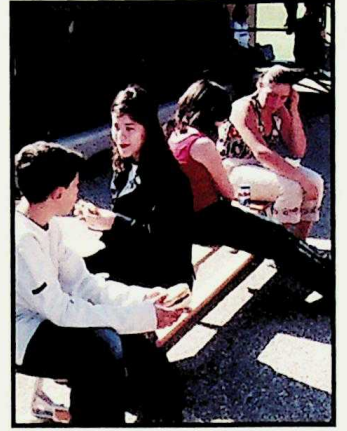

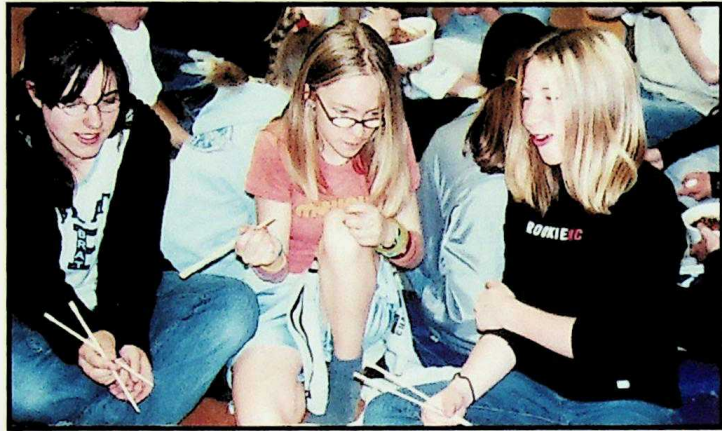

Grade Seven!

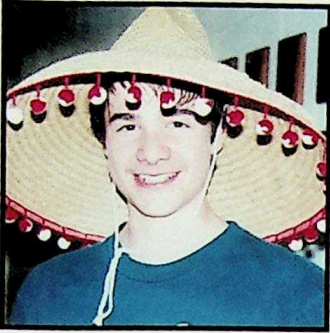

So you survived grade 7. Your first year of junior high! Think about all the fun activities you got to participate in: welcome week, dances, fundraising; you even had your very own grade 7 Japan Day. You're a pro now, next year will be even better!

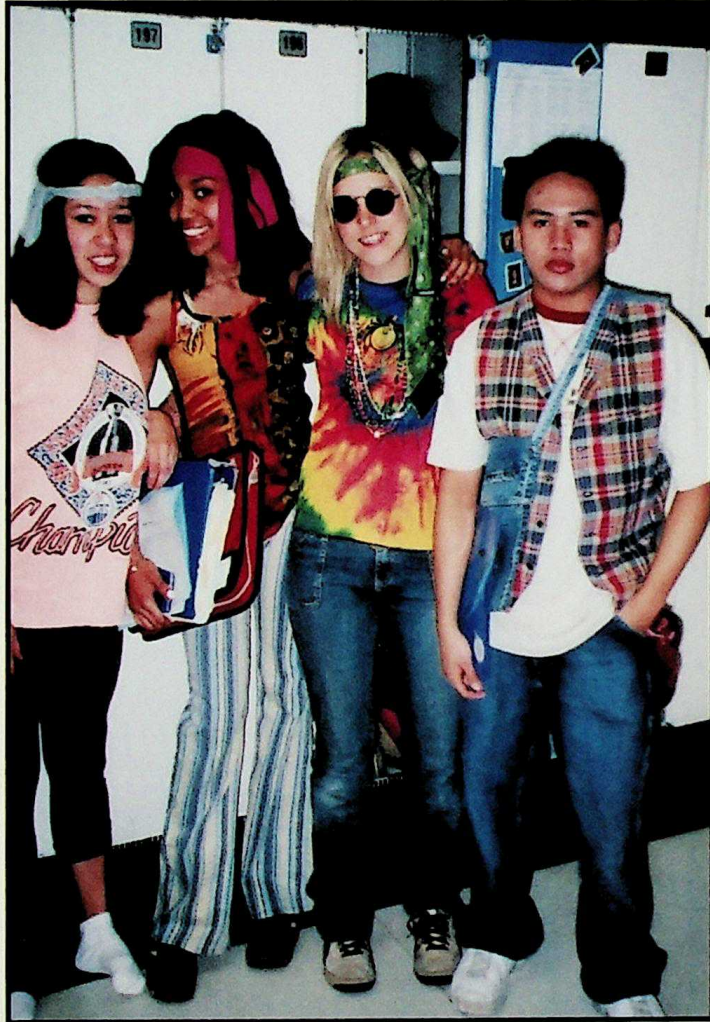

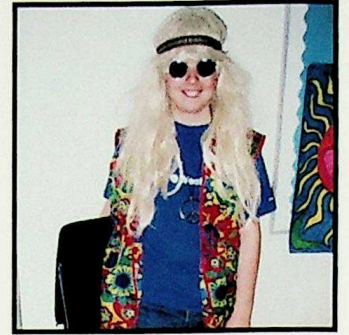

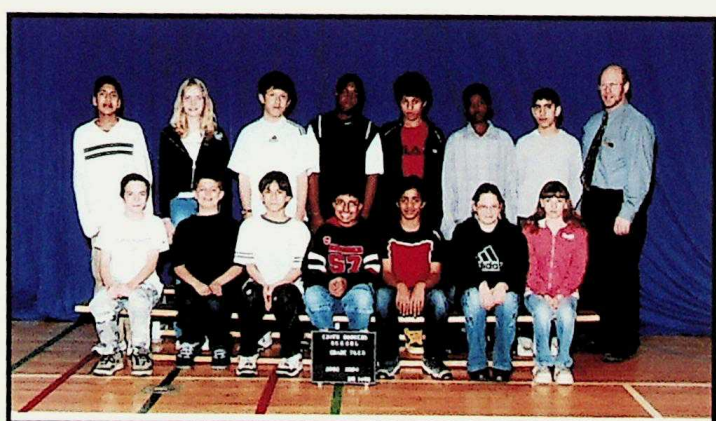

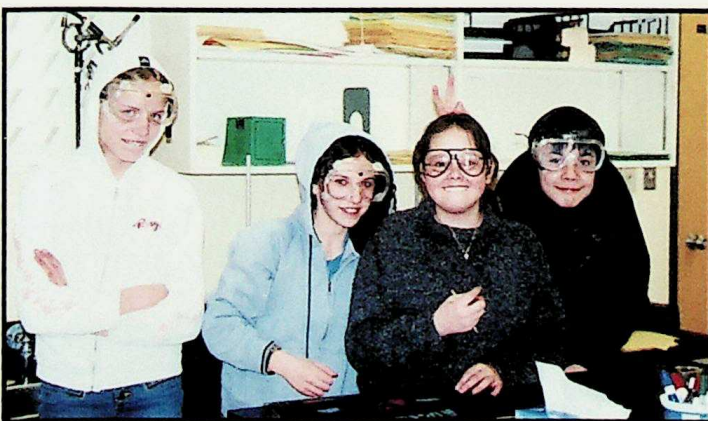

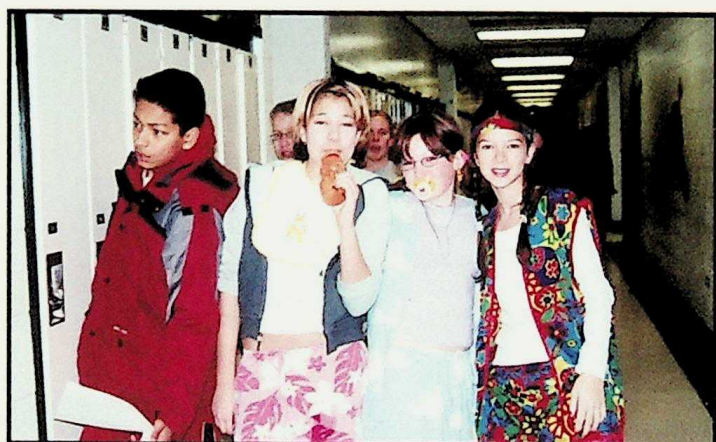

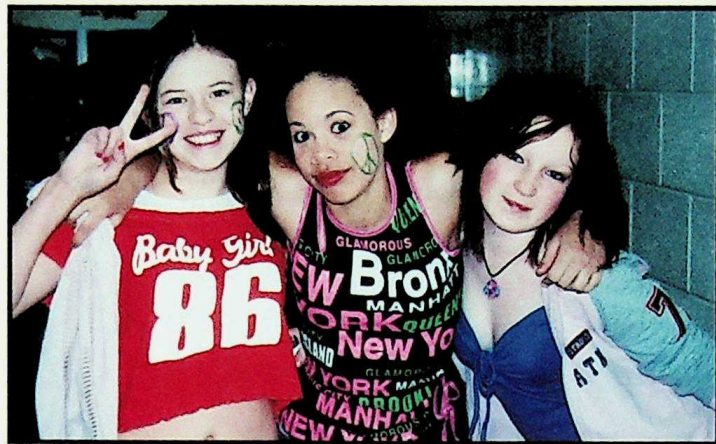

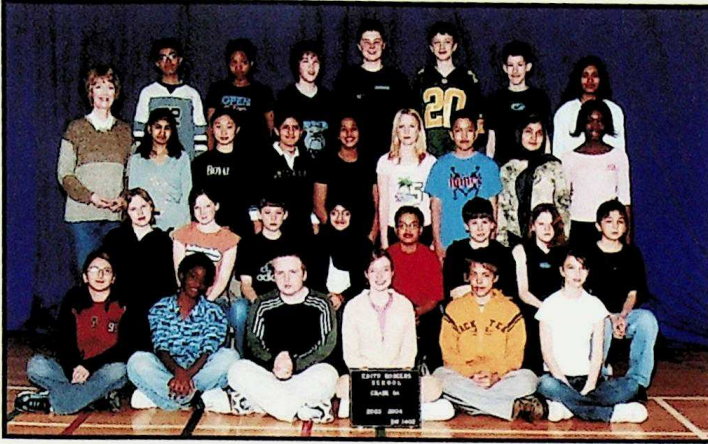

Multiculture Day

RETRO DAY

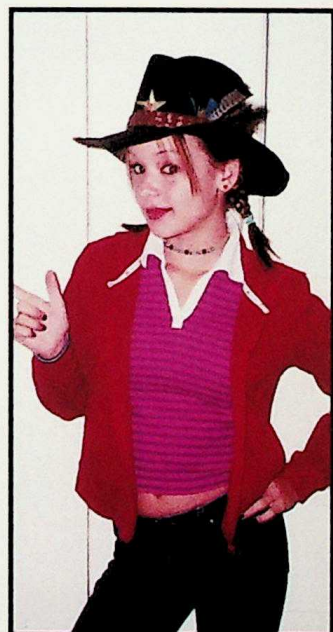

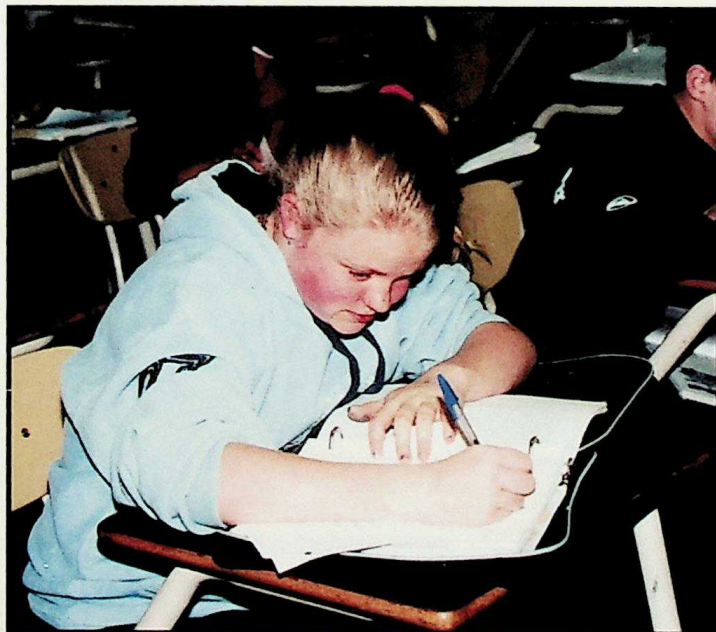

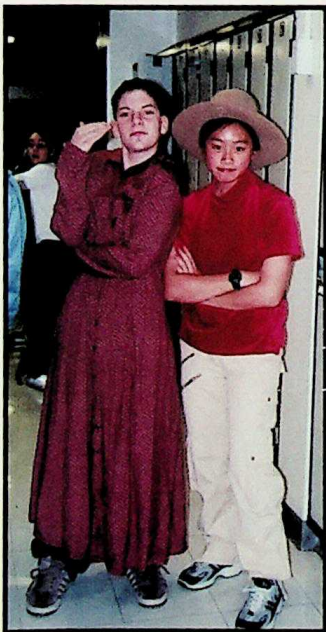

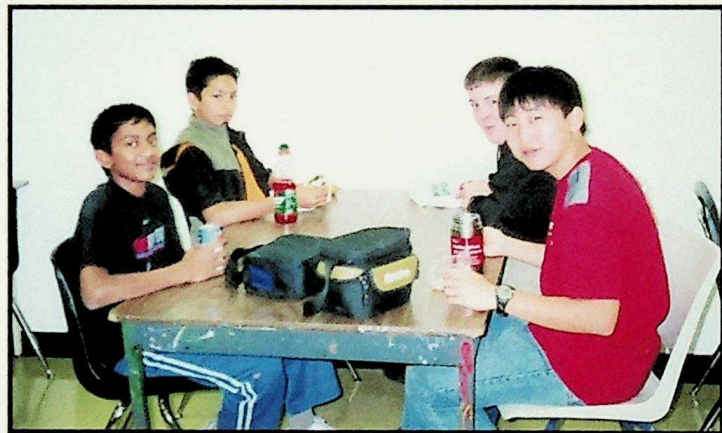

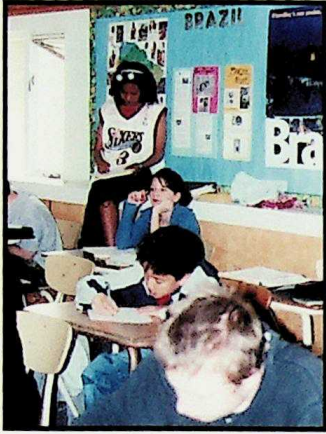

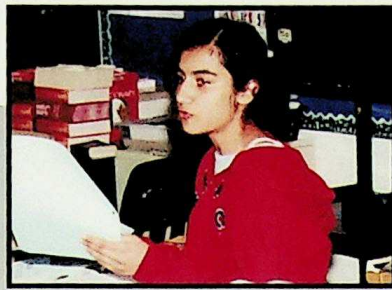

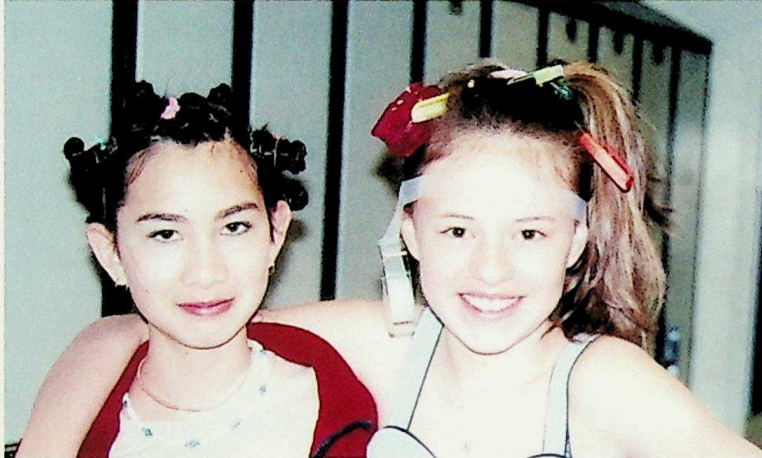

Grade Eight!

Wow, you made it through grade 8. The middle year. Not at the bottom and not at the top. We hope you had fun anyway. Just think, next year you will be role models for the rest of the school!

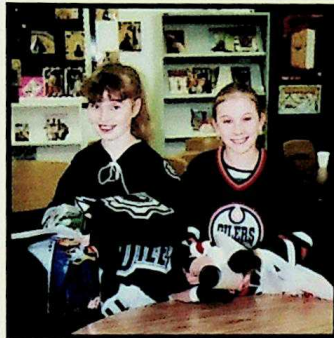

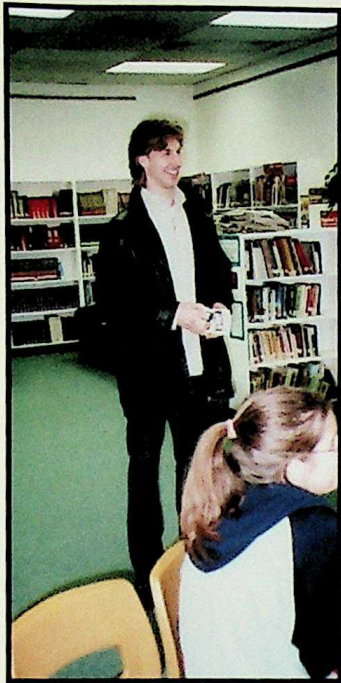

Funky Head Day

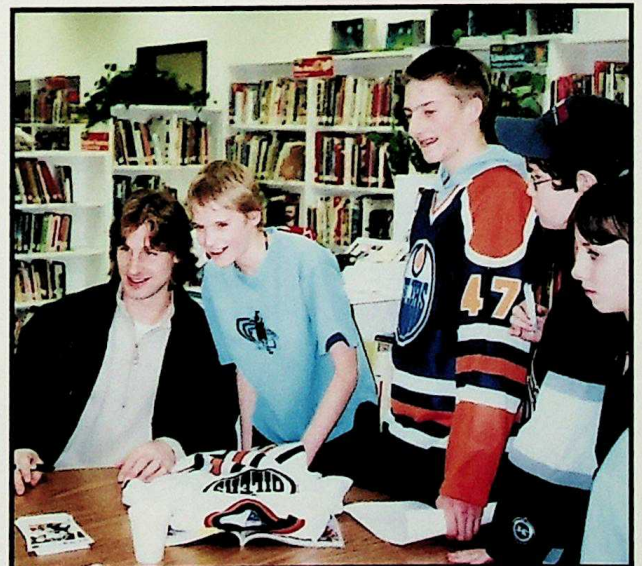

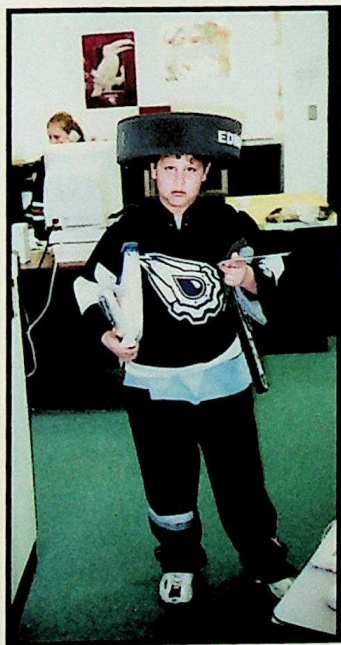

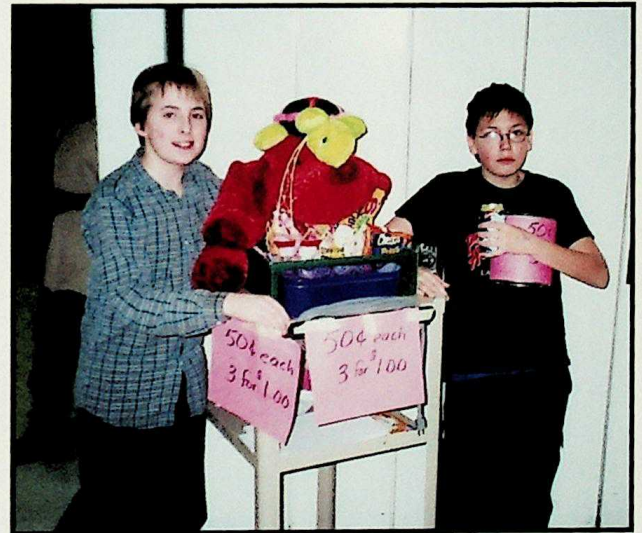

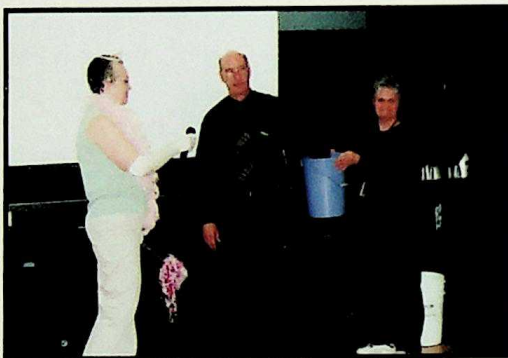

Fundraising!

Students at E.R. Care!

Every year E.R. students and staff participate in a Random Acts of Kindness Project. This year, funds were raised for the Stollery Children's Hospital Foundation. From November thru January, homerooms raised money by doing bake sales, candygram sales, various raffles, and spare change jars etc. Students even had a chance to win an opportunity to meet Ryan Smyth of the Edmonton Oilers who is the Honourary Chairperson of the Stollery Children's Hospital. Students and staff raised \$1,687.07!! Way to go!!

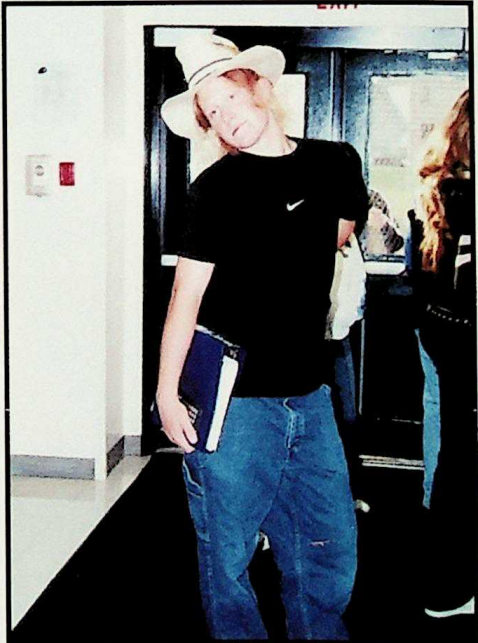

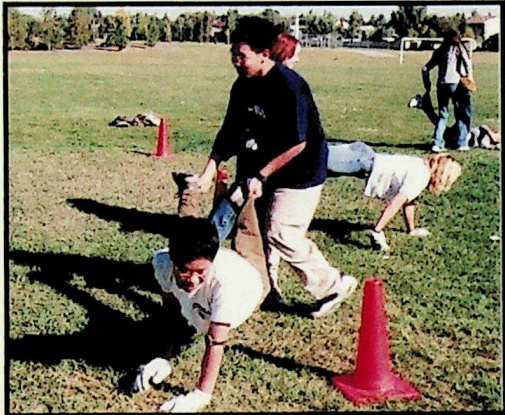

E.R. students don't only fundraise for Random Acts of Kindness Week; we also sell chocolates for the school and collect food for the food bank. Grade nine students also raised funds for their farewell celebration. This year, one of the most fun activities was the 'Royal For A Day' Raffle. Two winners from each grade got the royal treatment for a day including a limo ride to and from lunch.

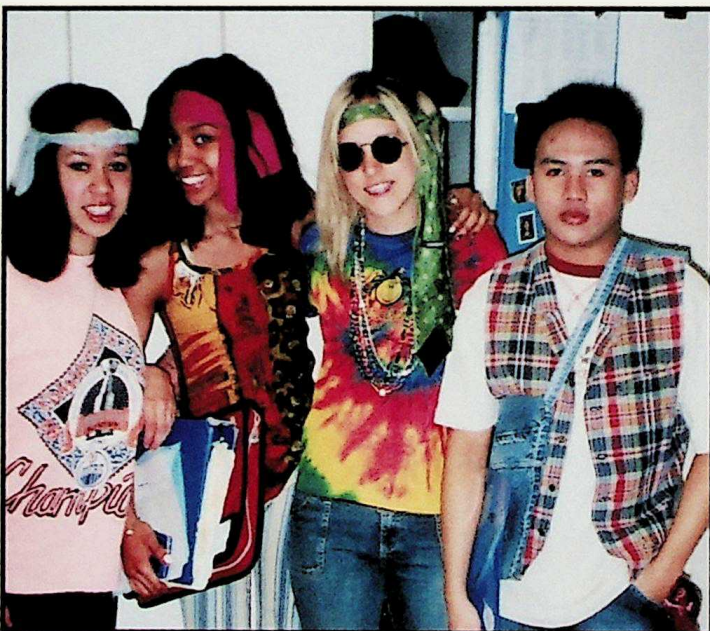

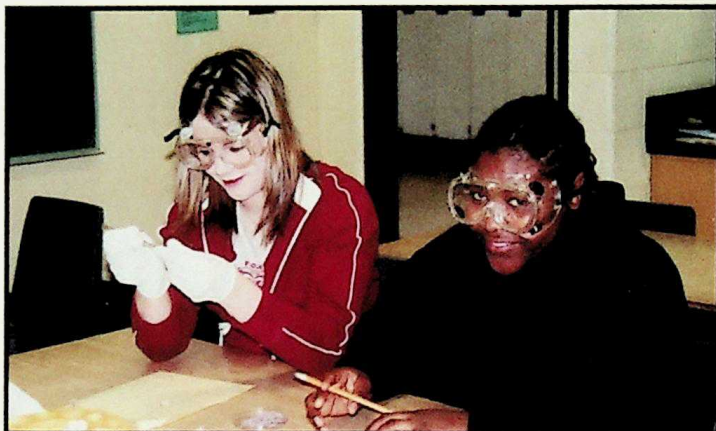

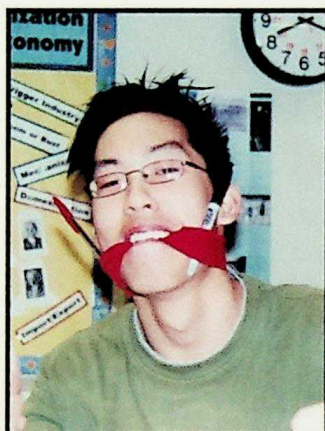

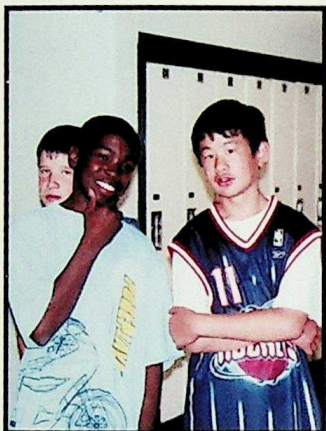

Grade Nine!

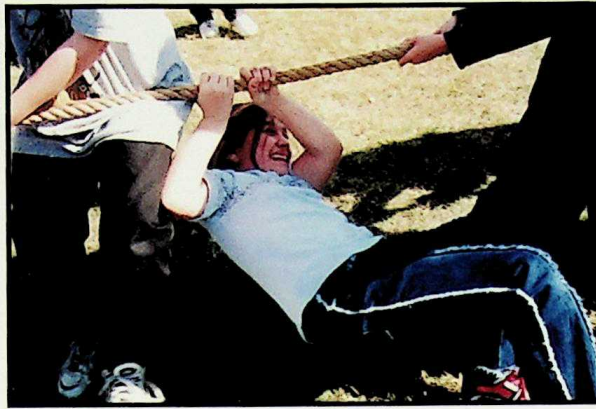

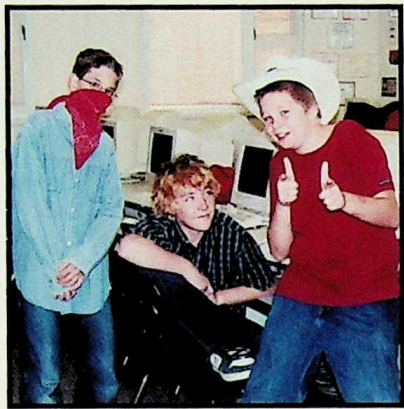

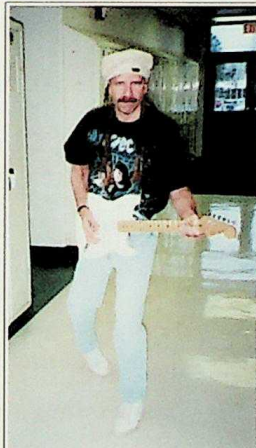

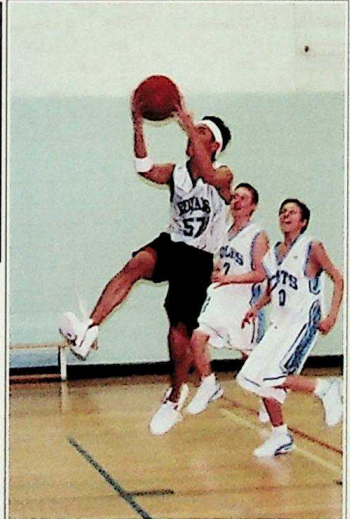

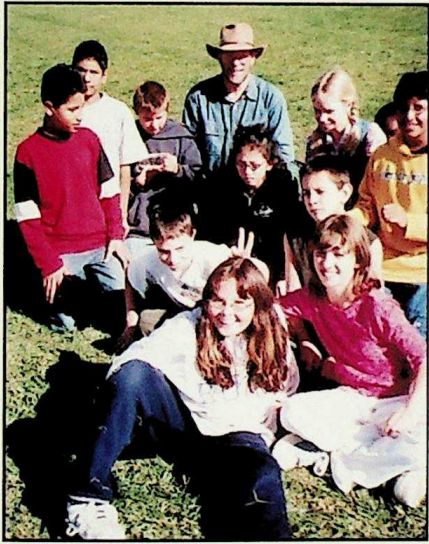

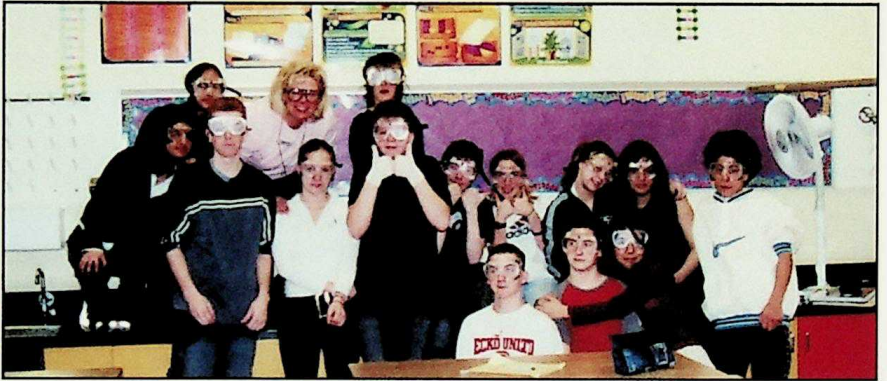

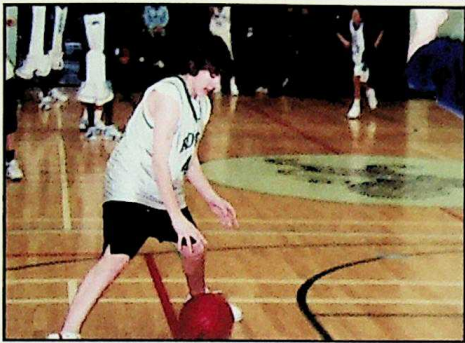

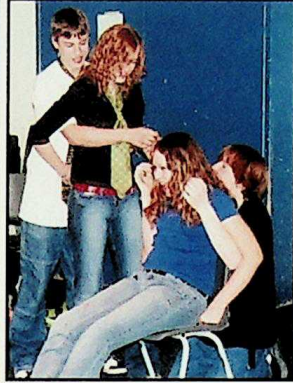

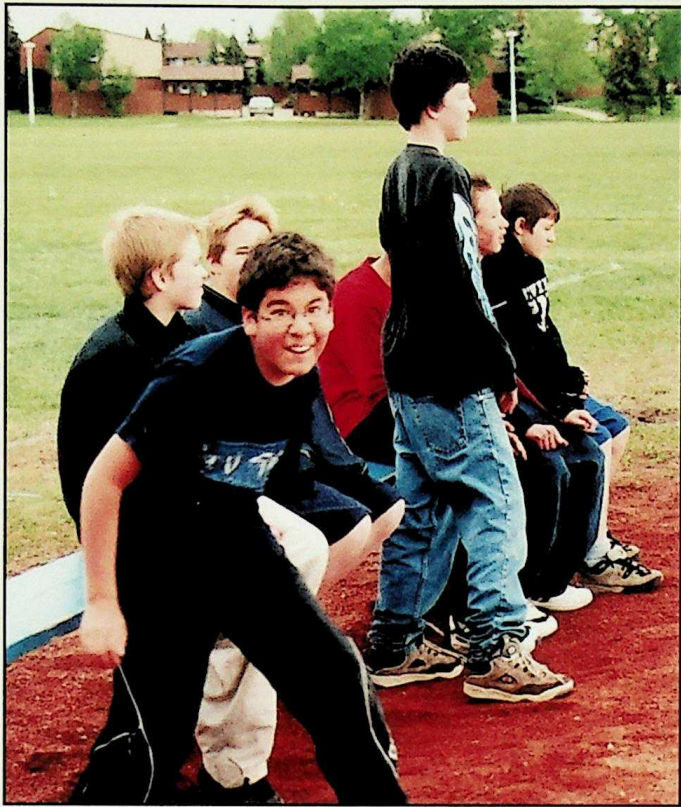

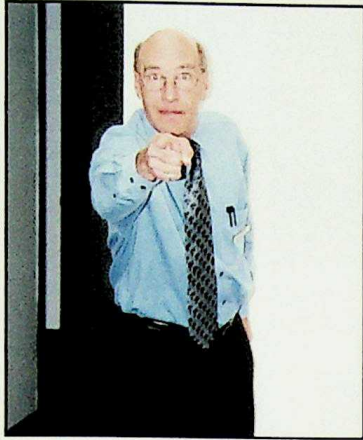

You did it!! You finished junior high!
What a great year it was too. Great
friends and fun school activities have
made it a year to remember. You may
be a bit sad to go, but you are off to
high school where you will shine like
the ER stars you are!

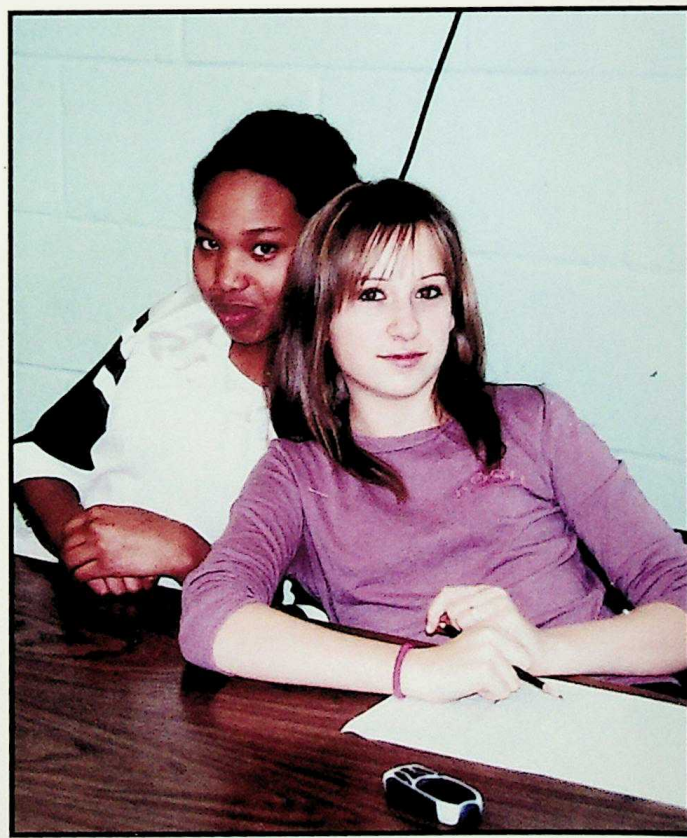

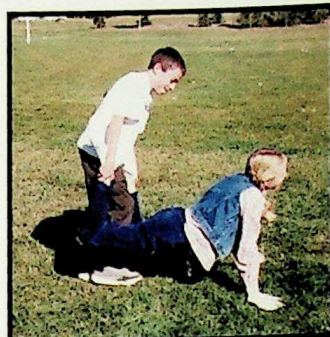

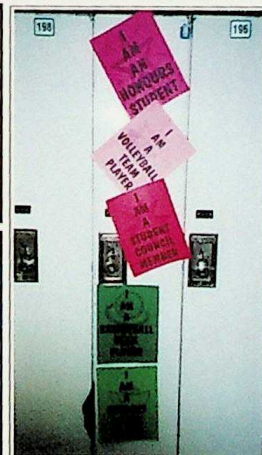

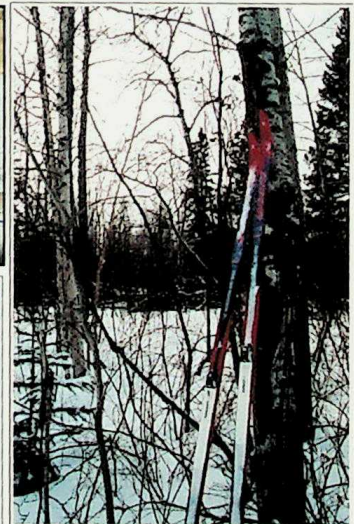

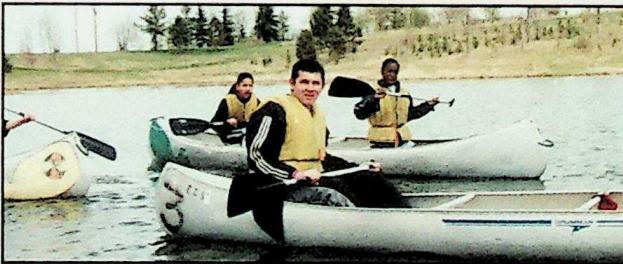

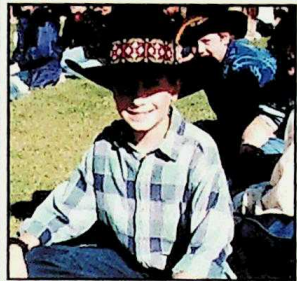

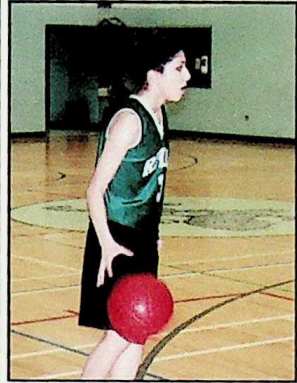

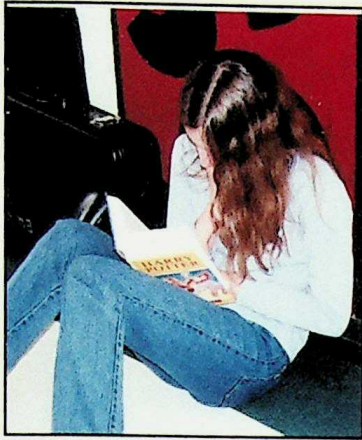

HAVING FUN!

French/Art

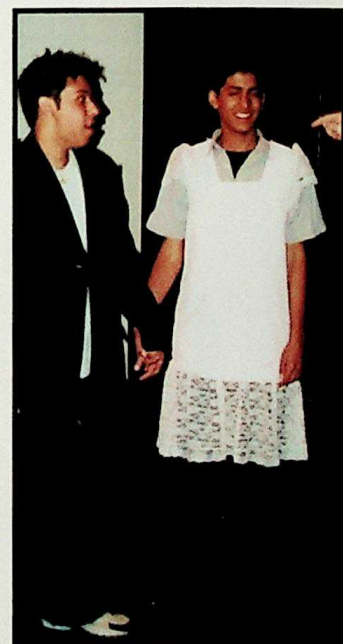

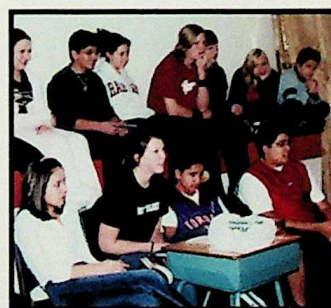

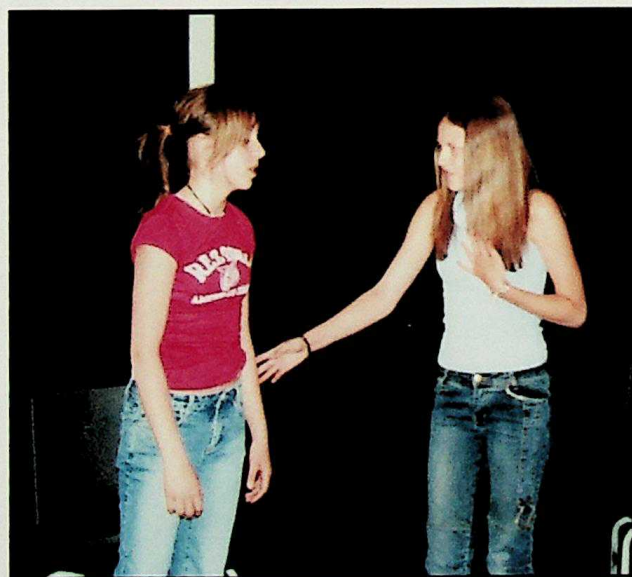

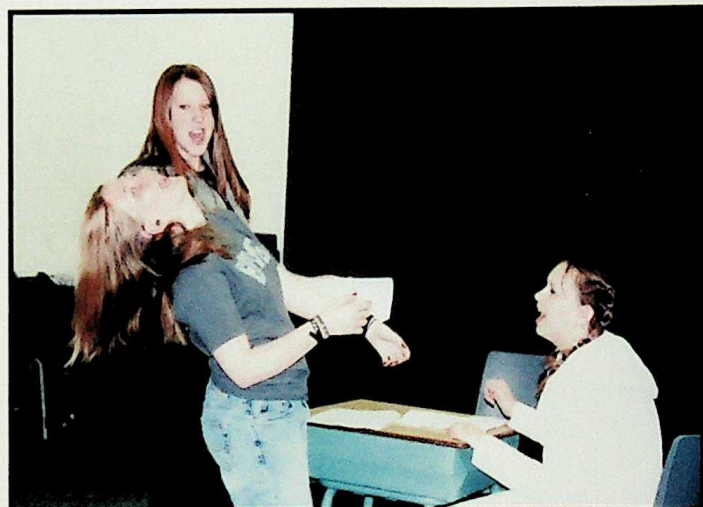

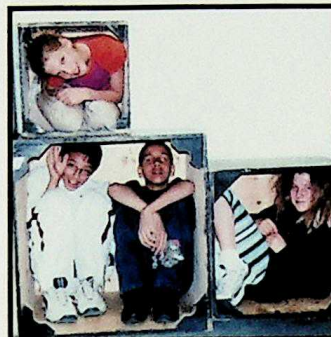

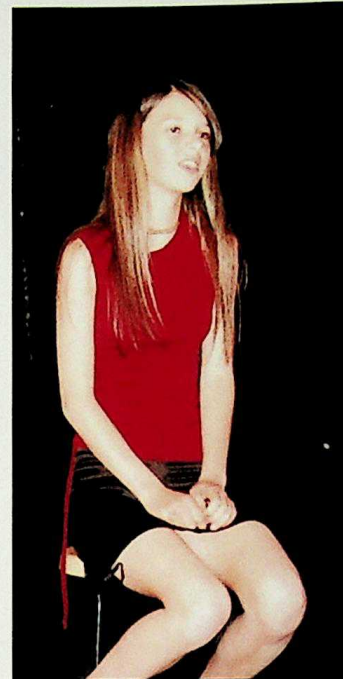

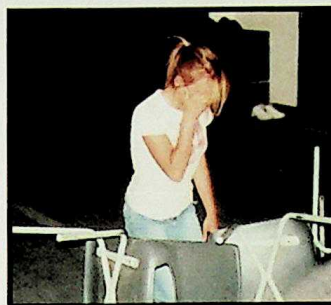

Drama

Drama students excell!!

In May, a group of very talented students competed in the Kiwanis Festival. Francine Grabinsky placed first in the monologue competition. In the dramatic scenes category, Porsha Sherwood and Carrie Vasilica took first place, Porsha Sherwood and Michael Fengler took second, and Carrie Vasilica and Sanja Stojanovic placed third. All performances were exceptional. Well Done!

In June, students in grades seven, eight and nine showcased some of their best work during Fine Arts Night.

Band

A busy year for band students!

Early in the year grade seven students attended workshops in order to get acquainted with their new instruments. Grade nine music students helped entertain the crowd at our annual awards night in October. In November, students had loads of fun at Camp Nakamun and the Wagner Music Festival. In December, the first concert of the school year was a huge success. Congratulations to Kayleigh Elson, Katie Chalmers and Kelsey Westvelt for being chosen to represent E.R. at the annual EPSB "Night of Music" in February. Spring brought with it the second concert in March and the Red Deer Music Festival in May. Finally, in June during the Fine Arts Night, E.R. Band students once again demonstrated their excellent skills for a thrilled audience.

Valedictorian's Address

Mr. Durand, Mr. Mercy, Teachers, Parents, Guests, and Fellow Graduates:

We are here tonight to celebrate our graduation from junior high. Though it may seem just like yesterday that we started out as confused and frightened grade seven students, we have now, three years later, matured into confident young adults. It was the constant support of families, teachers, and friends that made this change possible.

When we first arrived at Edith Rogers, we were overcome with the feeling of uncertainty and anxiety. Are my friends in my class? Will I be able to get my locker open? Questions such as these raced through our heads increasing our fear. In spite of this, we found a wonderful school environment with teachers and fellow students who were willing to help us and make our years as enjoyable as possible.

Throughout our junior high years, we were all occasionally frustrated or irritated. During these times, our families tolerated our nonsense and gave us our personal space. Though we were at times impossible to understand, they never gave up on us or stopped giving us their full support. Their compassion, faith, and guidance helped us gain the confidence and strength to continue striving for success.

We would like to thank the teachers. With their encouragement, assistance, and leadership, we were able to reach new heights in our quest for achievement. Though the teachers' expectations were high, they were never impossible to meet. Furthermore, the tolerance and patience that they showed us when we were late or had overdue assignments knew no limits. The teachers not only delivered the curriculum, but inspired us to be better people. We valued the character education assemblies that helped us understand ourselves as well as the people around us. Words cannot fully express our gratitude for all that the teachers have given us.

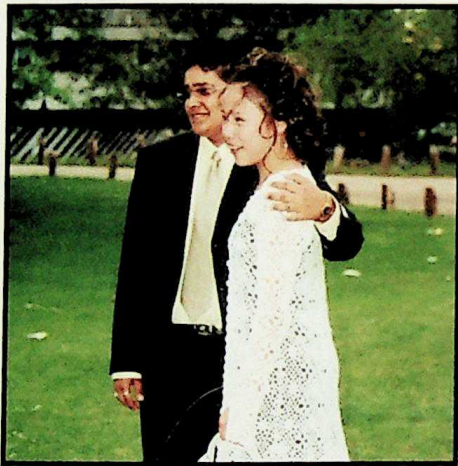

Last, but definitely not least, we want to show our appreciation to all of our friends. Shoulders to lean on, givers of advice, the ones to listen to our never ending problems; they were there for us all the way during the good times and the bad. Because of them, difficult times in our lives became bearable and there was always at least one thing to look forward to when we came to school. Though some of these friendships may fade, we will always treasure the memories we have made together.

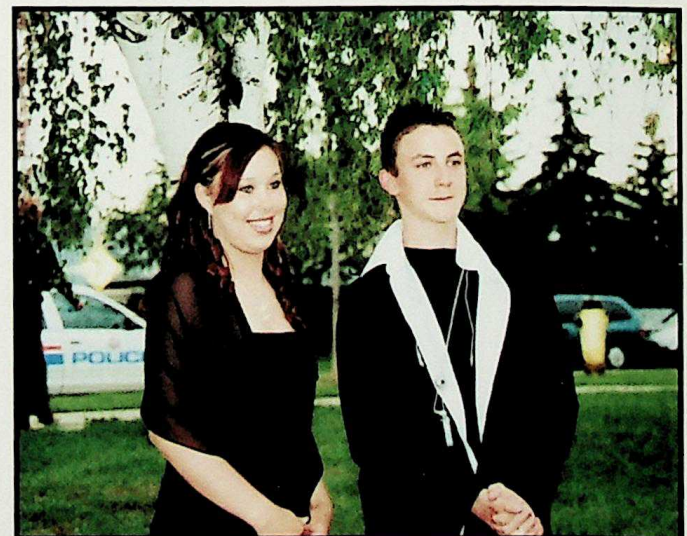

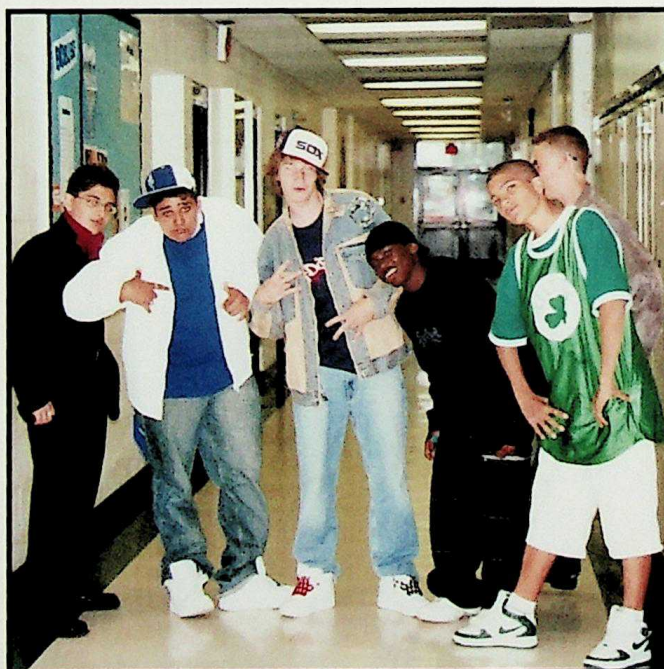

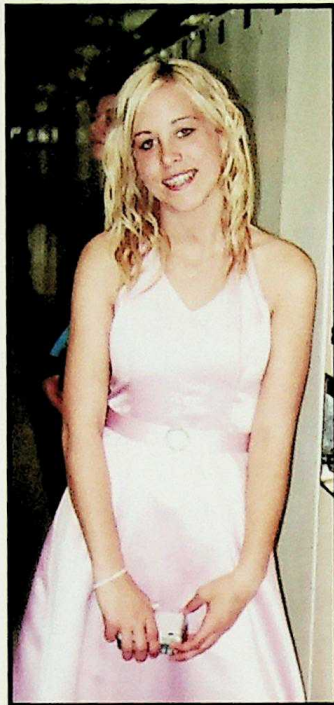

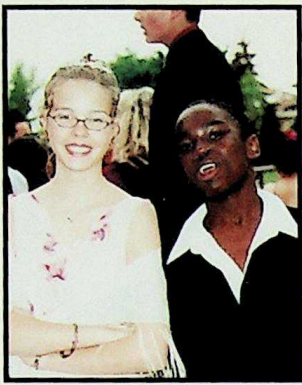

Now, as we move into the next stage of our lives, we will encounter many obstacles. Nonetheless, with the wisdom that this school has given us, we will be able to confront these challenges maturely and confidently. We **have** the power to affect change in this world. We must **not be passive observers** of the events around us. **Be active participants in life.**

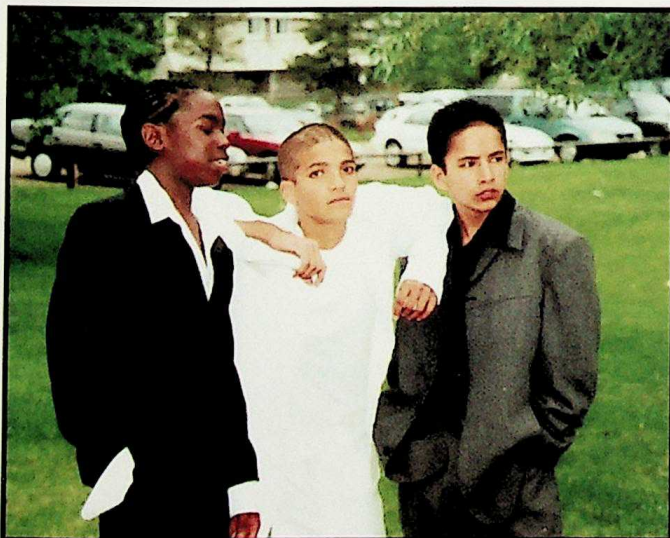

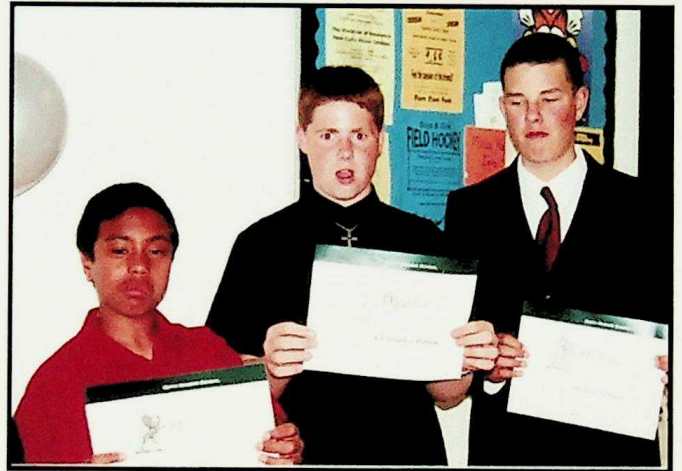

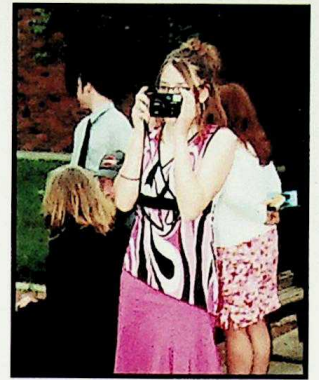

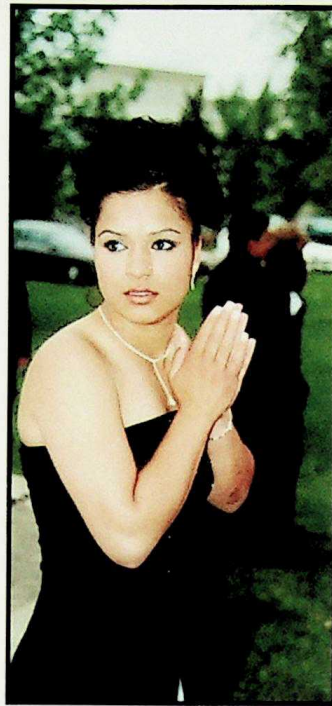

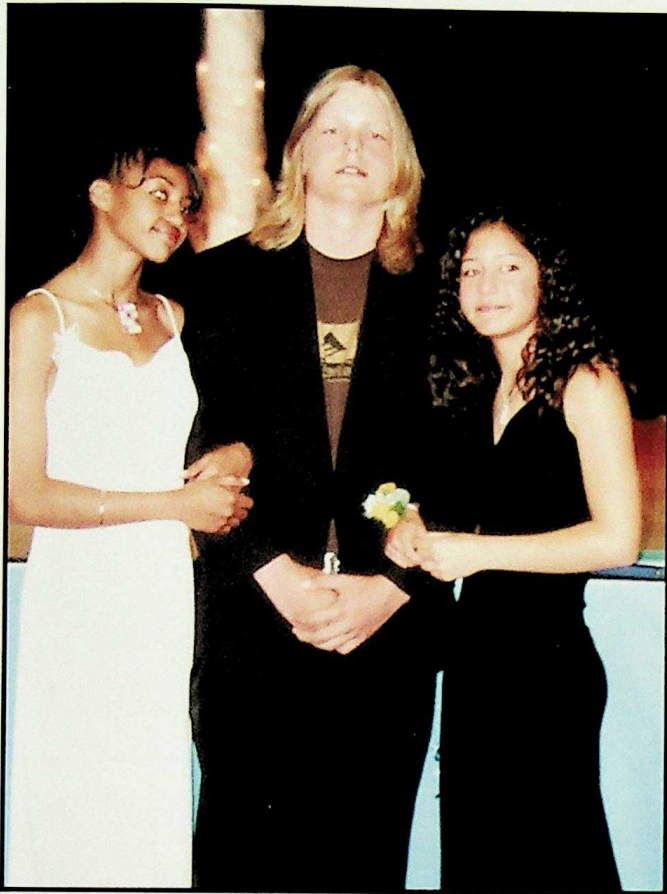

And so, to my fellow graduates, remember, do your best, strive for excellence, follow your dreams, and believe in yourself. I wish you all success and joy in the future. Goodbye and good luck in the years to come.

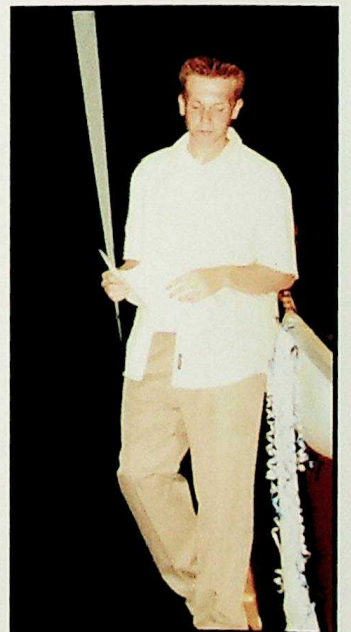

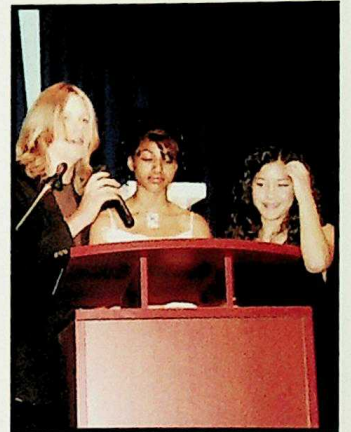

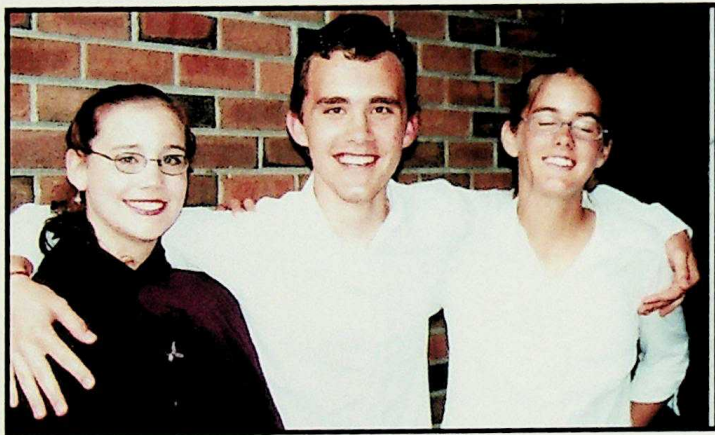

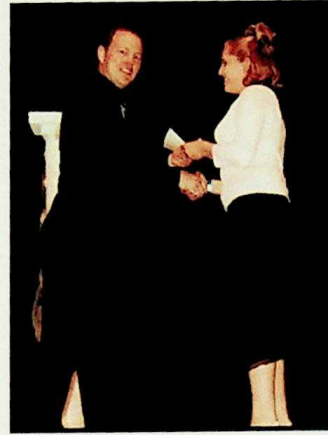

Carmen Chan
